About Moorabbin Airport Corporation

Moorabbin Airport is located 21 kilometres south east of the Melbourne CBD. The airport provides a combination of aviation and business services. More than 4,000 people work across the 294-hectare site and one-third of jobs are in aviation. With 250,000 aircraft movements annually, the airport is the second busiest in Australia. The site also includes the popular Moorabbin Direct Factory Outlet as well as Chifley Business Park which is home to global and local brands.

About Tristar Aviation

Tristar Aviation is a successful flight training school based at Moorabbin Airport for over 20 years. Tristar Aviation commenced flight training and charter operations in August of 1993 with the goal of providing a professional and friendly training environment and a safe and efficient charter service. Tristar Aviation is owned and operated by Geoff and Adrienne Fleming who between them have over 50 years' experience in the aviation industry, including working for two of Australia's major airlines.
