

05 December 2017

MEDIA RELEASE

2017 Emergency Exercise Notification

Moorabbin Airport is undertaking its annual emergency exercise on Tuesday 5 December 2017 between 9:30am and 1:00pm.

As a result, multiple emergency service personnel and vehicles will be visible on the airfield and throughout the aviation precincts.

The objectives of the exercise include:

- testing the validity of the Moorabbin Airport Aerodrome Emergency Plan (AEP);
- statutory safety compliance;
- communications between MAC and responding emergency agencies; and
- practicing the establishment of a multi agency command centre.

Aircraft operations will continue as normal. The airport is open during the event.

If you have any queries, please contact 03 8587 8000.

About Moorabbin Airport Corporation

Moorabbin Airport is located 21 kilometres south east of the Melbourne CBD. The airport provides a combination of aviation and business services. More than 4,500 people work in the 250 businesses in aviation, retail and business park precincts on the 294-hectare site. With 280,000 aircraft movements annually, the airport is one of the busiest in Australia. Over the past 18 months \$150 million has been invested into the airport, 1,000 jobs created and 1,500 pilots have been trained.
